BUILD YOUR TOWN

ZOMLINGS[®] • IN THE TOWN •

These five friends have arranged to meet up together in Spooky Street. They don't seem to be able to find each other in the crowd.

Can you help them to meet up?

SOLUTION:

It may seem like a murky and mysterious place but Wacky Waters actually has everything that you could possibly need for a great day out. Don't be afraid of the water. Jump in and have fun!

CHANK pretends to be a fearsome pirate, but nobody is fooled by his hook. His pirate ship is always filled with fun and friends.

Surf the waves? **SOFI** doesn't seem to be enjoying it much these days.

SUBO's arms are stuck inside the rubber ring. That's why he spends so much time in the water.

Only in Wacky Waters could you find a Sea Horse Show! **NIM** is the star attraction.

KRANGO loves to greet the visitors, but we wouldn't recommend shaking hands.

Wacky Waters is filled with fun attractions but **GAMBO** is only interested in the submarine.

WACKY WATERS SHOW JUMPING

STARLING loves the water slides. The faster and scarier they are, the more she laughs.

ZOMLINGS SKYSCRAPER GAME

How To PLAY?

Build the highest tower

6 of these Zomlings just got a terrible fright and ran out of their houses without even opening the doors! Can you work out who has burst through each door?

SOLUTION A-2/B-3/C-6/D-1/H-4/I-5

WELCOME TO CREEPY CIRCUS

At Creepy Circus, the performers are always inventing new ways to entertain the crowds.

Buy a ticket or maybe even try to 'creep' in!

ZIT performs next to the ticket office. Her snake charming act entertains the queue.

ZOMVALOVA was prima ballerina at the Great Zomlings Ballet. She now prefers the warm crowds of the circus.

QUILA performs some fabulous tricks but the crowds applaud even more loudly when she accidentally falls!

GABOX vs. **PUNCH BAG**

GABOX believes that he is a great boxing champion. The trouble is, he fights against a punch bag and doesn't always win!

MAGIC

TOGAR the magician has a famous trick where he makes a volunteer Zomling disappear inside a crystal tower.

WILZO is on hand to make the Zomling reappear. If he makes a mistake he has to search high and low around the circus!

AKIL the flying acrobat often loses half his feathers during his act.

RAY-Z holds all records for acrobatic car tricks. He also holds the records for broken bones!

CHAMPION

Find 11 differences between these two photo finish pictures

SOLUTIONS

The right eye of the Zomlings skull logo is fully open, one of the white lines on the side of the car is gone, one of the wheel bolts has disappeared, the fuel cap is green, the car number has changed to 9, The helmet has a red line on it, there is an extra daisy in front of the podium, the symbol on the trophy has changed, there are no longer two lines in the middle of the road, one of the flags has changed colour to yellow, there is a Zomling inside the trophy!

IT MIGHT BE FREEZING COLD
BUT THERE ARE STILL LOTS
OF STORIES AND DISCOVERIES
TO FIND IN THE SNOWY
MOUNTAINS OF ICKY IGLOO.
DON'T BE "CHILLED"
BY WHAT YOU FIND!

GOOZY started out green
but after spending too much
time in Icky Igloo, he turned
as white as the snow
all around him

Long ago,
ZERIK's boat got
stuck on the icy waters
of Icky Igloo.
Now he's made it his home!

LIZA returns home
after a hard day
casting her spells!

KARROL arranged
a date in the park
but she stood
him up!
Poor **KARROL**,
maybe next
time...
